WHO: Friends of Community Living Services

WHAT: Classic Car Show fundraiser

WHERE: 35425 Michigan Ave West, Wayne, 48184

WHEN: Saturday, June 12, 2010 NOON to 4:00 p.m.

WHY: Community Living Services, Inc. is a non-profit organization that offers services and supports to over 3,000 children and adults with developmental disabilities in Wayne county. This fundraiser will allow people to receive grants that traditional Medicaid funding cannot cover.

MORE INFO: About 100 Classic Cars will line the Metro Place Mall parking lot. Classics such as the **“Monkee Mobile”** from the 1960’s show **“The Monkees”**, **“ECTO-1”** from the hit movie, **“Ghostbusters”** and a replica of **“To-Mater”** from the Disney/Pixar movie **“Cars”** will also make an appearance. Other “classics” scheduled to appear: the Gran Torino from the TV show **“Starksy and Hutch”**, **“Herbie the Love Bug”** from the 1960’s Disney movie and the Trans Am from **“Smokey and the Bandit”** and **“Knight Rider”**.

This event promises something for everyone including over 30 food and craft vendors, mostly people with disabilities, selling their products and services. **Vendors include Dearborn Sausage, hand-popped kettle corn, handcrafted arts, crafts and jewelry, face painting, balloon artists, games and prizes for kids** and much, more more!

The afternoon starts off with relaxing **Jimmy Buffet style music** from Las Vegas entertainer Ron Devon followed by **classic 50’s and 60’s music** provided by DJ David Dewitt Taylor. There will also be two **pet adoption** organizations (Waggin’ Tails Dog Rescue and St. Julians Cat Adoptions) where kids can get their pictures taken with the animals. And if you’re stressed out, why not pay a buck at the **“Smash for Cash”** area where \$1 gets you three whacks with a sledgehammer at an ol’ clunker!!!!

CLS is funded through the Detroit-Wayne County Community Mental Health Agency. For more information, visit our web site at www.comlivserv.com
